

The Cahill Group is one of the largest multi-disciplinary construction companies in Canada, with operations from Newfoundland to Alberta. We believe in taking care of our people with rewarding career opportunities, competitive compensation packages, and a dynamic working environment.

## **Commercial Superintendents**

The Cahill Group is currently recruiting for Electrical and Mechanical Commercial Superintendents to provide onsite supervision and guidance to ongoing projects throughout Newfoundland. The Commercial Superintendents will be responsible for the safe and timely delivery of their respective disciplines systems while working collaboratively with a multi-discipline team.

### **Responsibilities**

- Oversee all onsite construction activities related to productivity and schedule adherence
- On-site coordination of manpower, materials and equipment
- Supervise and mentor field personnel, assist with the execution of daily planned production activities and carry out field reviews and inspections
- Review and understand all contract documents, codes and specifications applicable to the project to ensure contract compliance, and apply technical knowledge and expertise to resolve field issues
- Conduct schedule reviews with site team to confirm work packs, material, work area, manpower and restrictions, and coordinate the development of work packs with engineers and technologists
- Mobilization and demobilization of personnel in a timely manner, promote and implement the Safety and Quality procedures to ensure the scope of work is performed safely and to the required standards
- Liaise with the Project Manager to keep the project on schedule and under budget.

### **Qualifications**

- Technical college diploma, journeyperson certification, or any combination on relevant education and experience would be considered within the Electrical or Mechanical discipline.
- Minimum of 8 years commercial construction experience in supervisory capacity.
- Thorough knowledge of commercial construction such as technology, equipment methods, trade agreements and jurisdiction, scheduling, quality and safety requirements are essential
- Experience managing a unionized workforce is considered an asset.
- Proficient in the use of Microsoft Word & Microsoft Excel
- A team player with strong interpersonal skills and the ability to work in a fast pace environment
