

4th Year Electrical Apprentice

Iskueteu is seeking four qualified 4th Year Electrical Apprentices for project work at our site location in Voisey's Bay, Labrador.

Responsibilities:

- Running and pulling cable tray
- Installing cable tray and running cables
- Terminating cable
- Assist Journeyperson in daily task
- Work safely, using directed PPE

Qualifications:

- Apprenticeship certificate required
- Rigging certification is an asset
- Valid Fall Arrest Certification
- Valid Aerial Work Platform Certification
- WHMIS Certification
- Experience working on a large industrial site

This position will be based in Labrador at the Voisey's Bay remote worksite working a two week on, two week off rotation, for an expected duration of 8 weeks.

If you are interested in joining our growing team, please apply in confidence to employment@cahill.ca quoting competition #ISK-NL-4A-09-20. Deadline for applications will be 5:30pm NST on September 27, 2020.

Iskueteu recognizes the Impacts and Benefits Agreements with the Innu Nation and the Nunatsiavut Government in which Innu and Inuit workers have first preference for employment at the Voisey's Bay Mine Site. It also recognizes a commitment to give qualified workers from Labrador priority for employment opportunities. Innu Nation members and Nunatsiavut beneficiaries can also apply through Vale's Aboriginal Employment Coordinators.

Please ensure you include your full name, address, community and province when applying. While we thank all applicants for their interest, only those under consideration will be contacted.
